

ASPIRE ➤ ACHIEVE ➤ TRANSFORM

AMITY FINISHING SCHOOL

The Amity Finishing School is India's leading Residential International Business Etiquette and Protocol Training programme, especially designed to upskill your confidence and success to International standards.

At AFS you will learn how to:

- Develop your confidence and persona to an international finesse
- Master the art of public speaking
- Learn to be a poised hostess or host while perfecting the art of the French L'art de Recevoir
- Understand and appreciate the traditions and culture of India, international protocol and etiquette so you can always be ready to rise to any occasion.

THE CONCEPT

From royalty to world Leaders, finishing schools over the years have had a great role in polishing and perfecting some of history's most celebrated personalities. Taking inspiration from the finishing schools of the Swiss Alps, Amity has opened doors to welcome a special batch of outstanding women and men who will be taught by the very best in the industry.

Each class at AFS is followed by practical, interactive learning activities. The curriculum at AFS has been especially modelled so students leave as perfectly poised women and men of substance, ready for every challenge that life must throw their way.

The Amity Finishing School has been exclusively founded to groom young women and men in the Art of Social Etiquette, teaching them social graces, leadership skills and cultural values so they are ready to take the next big step of their lives. Our curriculum is designed to be a life changing experience, enhancing Business and Social etiquette training with seminars, workshops and masterclasses.

WHO CAN JOIN THIS COURSE:

Emily Post, The famous author “to make a pleasant and friendly impression is not only good manners, but equally good business.”

- A woman stepping into a new phase of life, who wants to draw a fine balance between her social and personal life.
- A student above 16 years of age, standing at the threshold of a new life who wants to excel in a social and professional scenario.
- A professional who wants a well-rounded personality to get an edge over his/her colleagues.
- An entrepreneur who wishes to make a powerful impact through business etiquette
- An individual who wants to add the right finesse, charm and class to one's personality.

“

To make a pleasant & friendly impression is not only good manners, but equally good business.”

– Emily Post
